

Dear Parent or Guardian,

The Healthy Schools Act requires all California licensed child care centers to notify parents and guardians of pesticides they expect to apply during the year. We expect to use the following pesticides in your center this year:

Name of Pesticide (Common Name)	Active Ingredient(s)
none expected	

You can find more information regarding these pesticides and pesticide use reduction at the Department of Pesticide Regulation's Web site at www.cdpr.ca.gov.

You may view a copy of the center's integrated pest management plan in the center's office. It is located online at:

www.prek.st-mary.net and posted in classroom

If you have any questions, please contact:

Vicki Schwartz vschwartz@cndo.org
